BUCCANEER
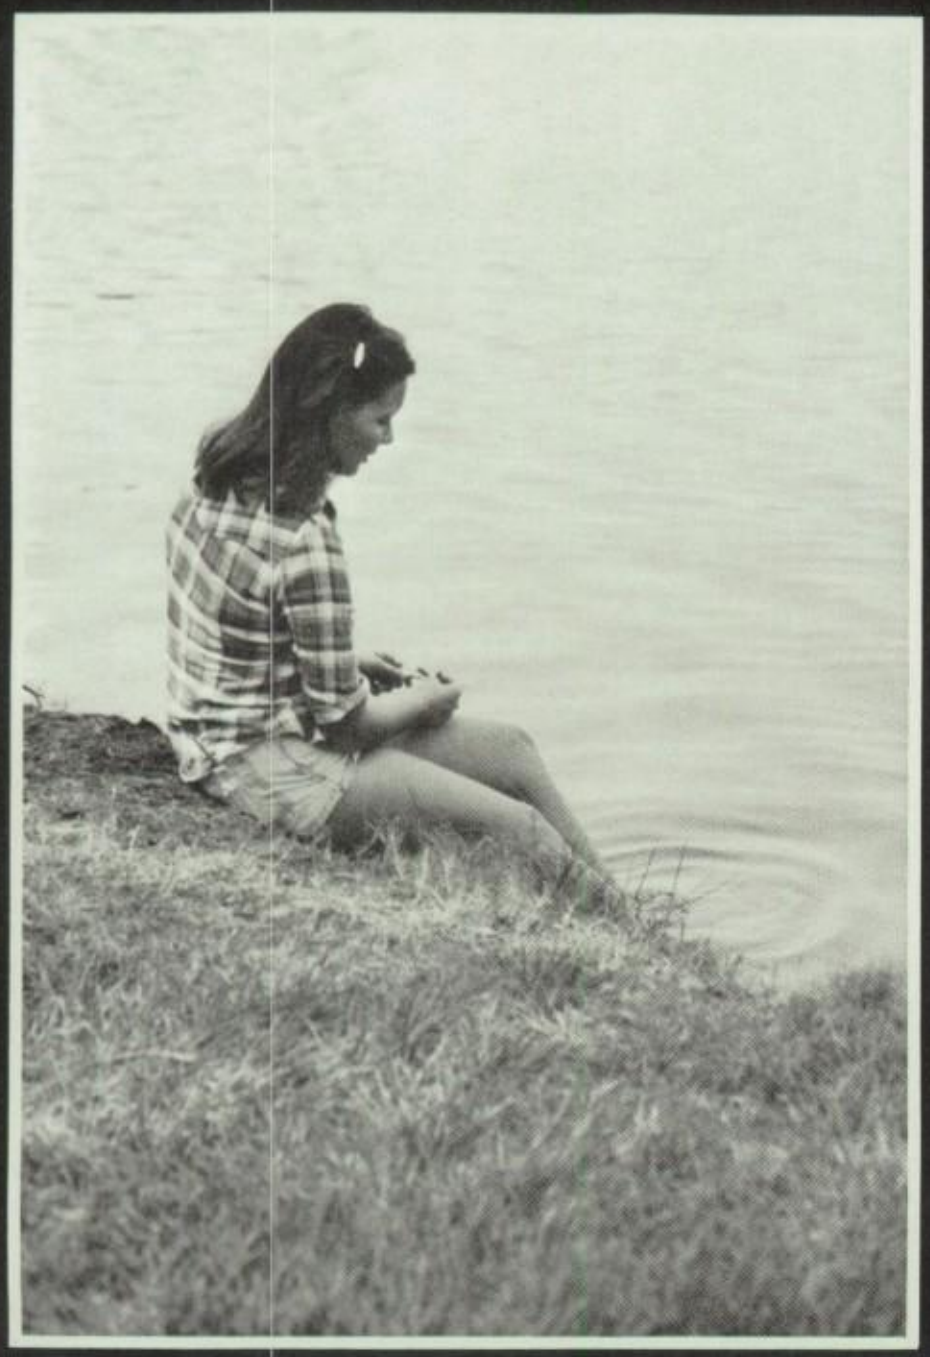
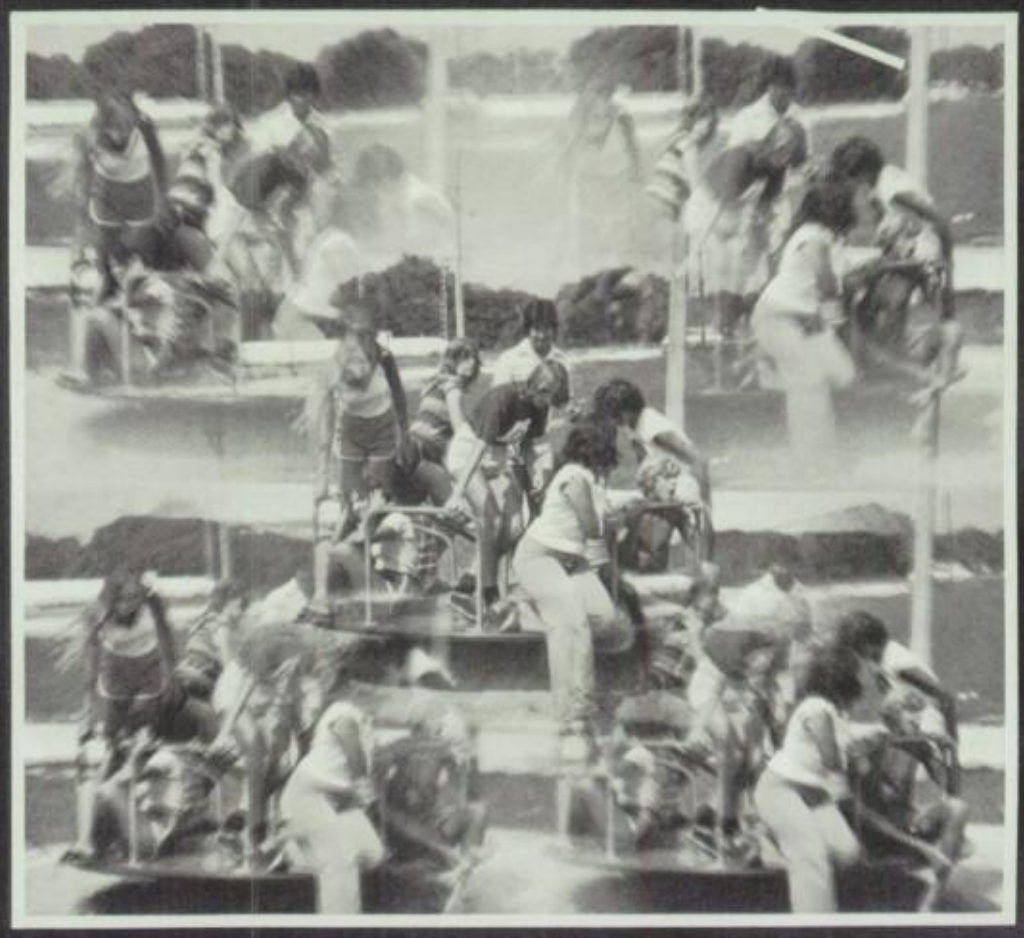
SPIRIT

Memories



like the corners of my mind,

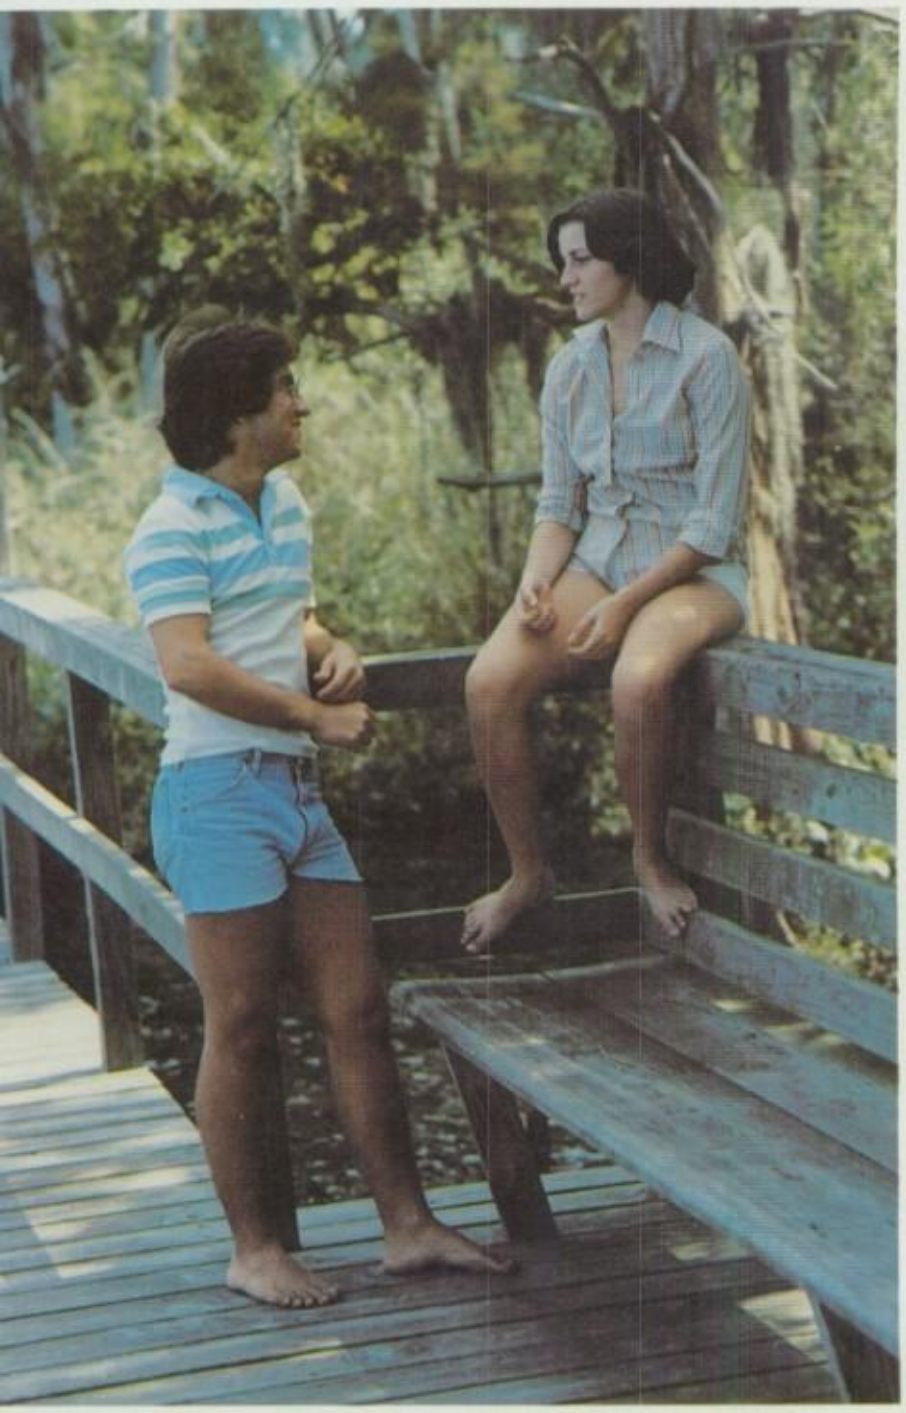


misty water
colored memories

of the way we were . . .

Scattered pictures of the smiles

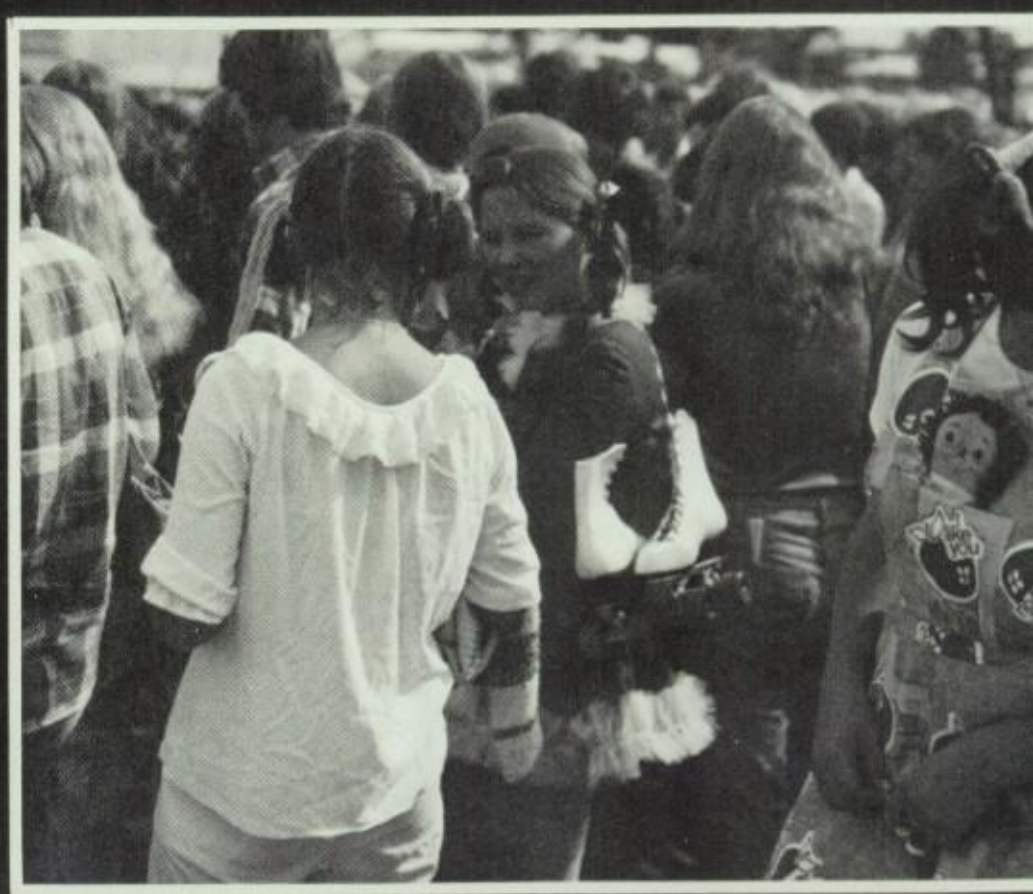
we left behind,

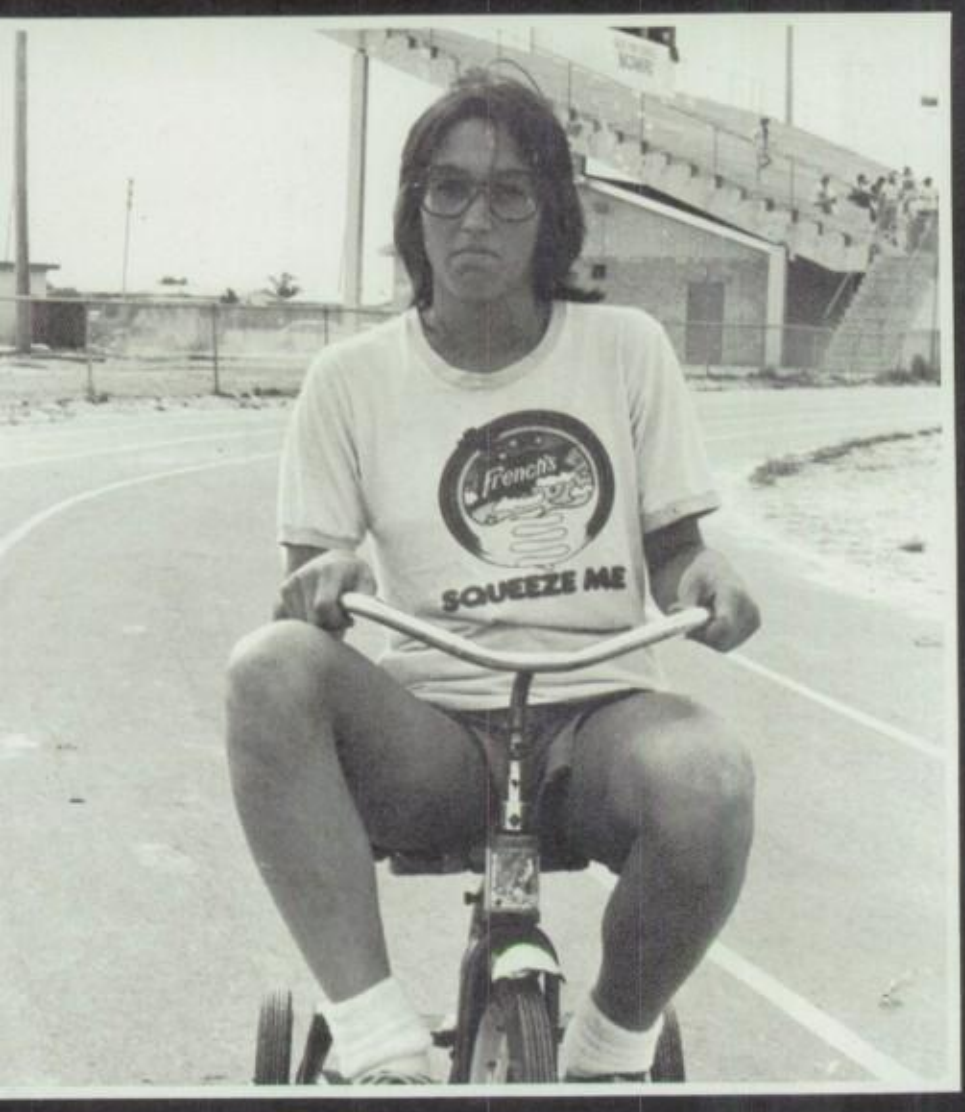


Smiles we gave
to one another

for the way we were . . .

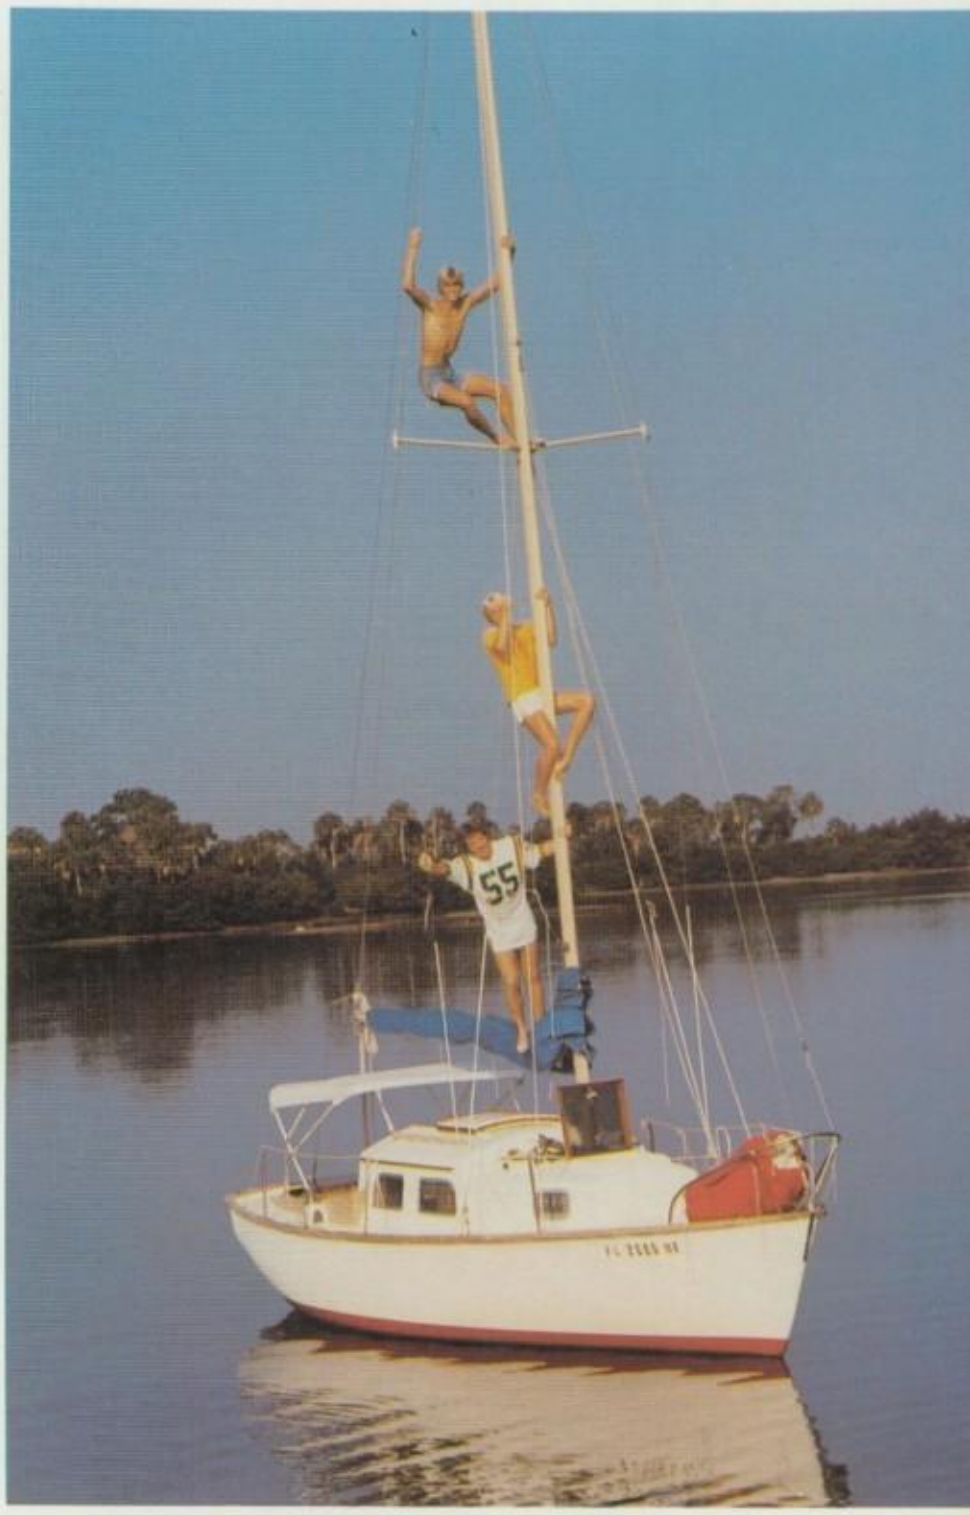
Can it be
that
it was all
so
simple then,





or
has time
rewritten
every line . . .

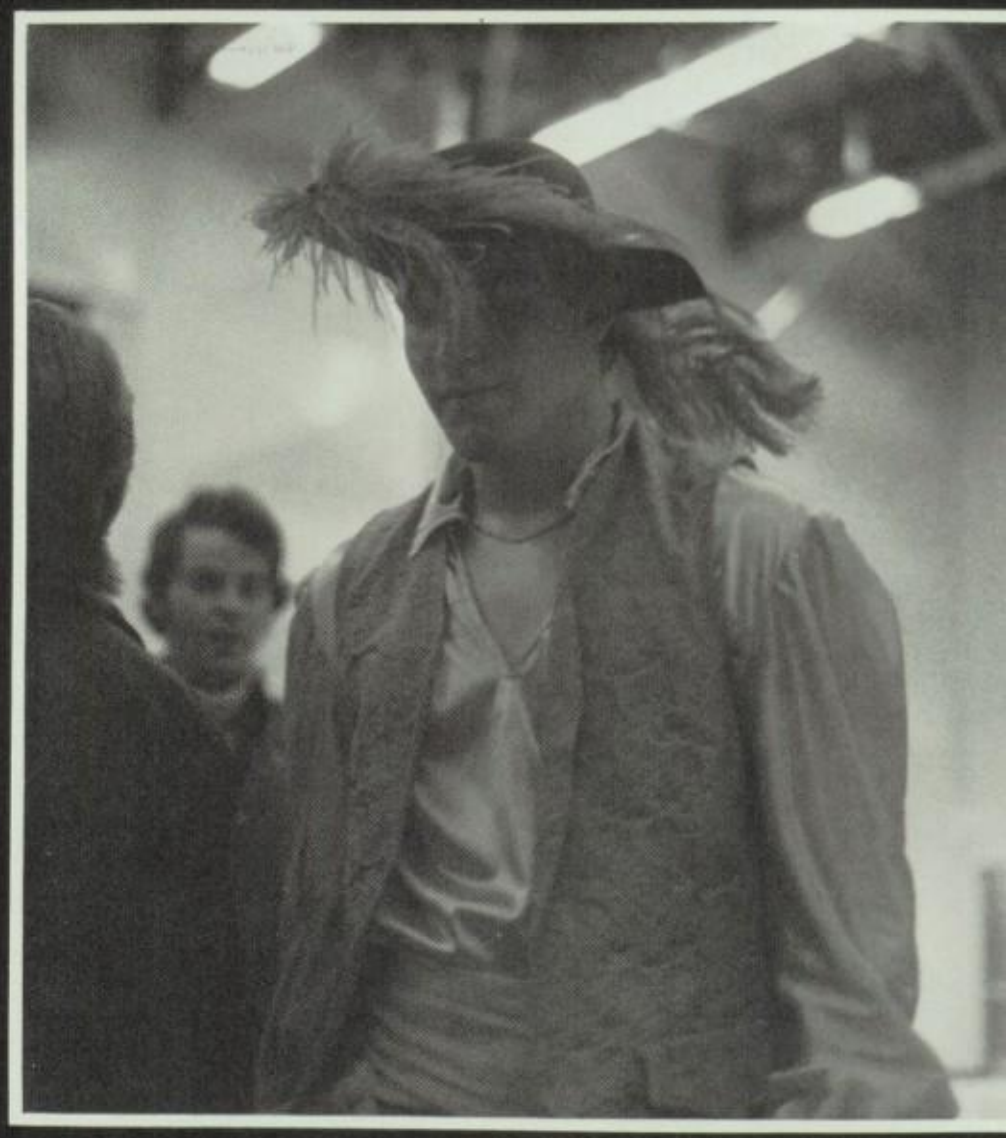
If we had
the chance

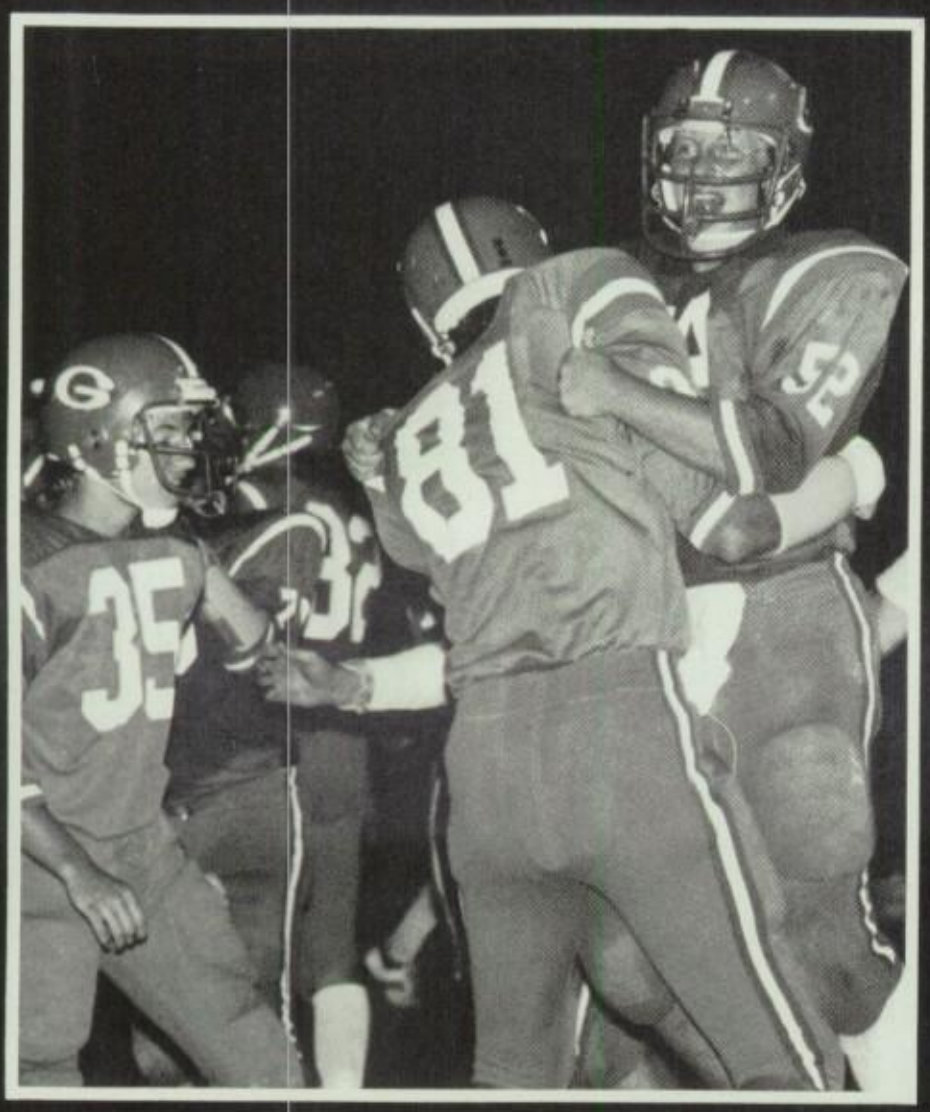


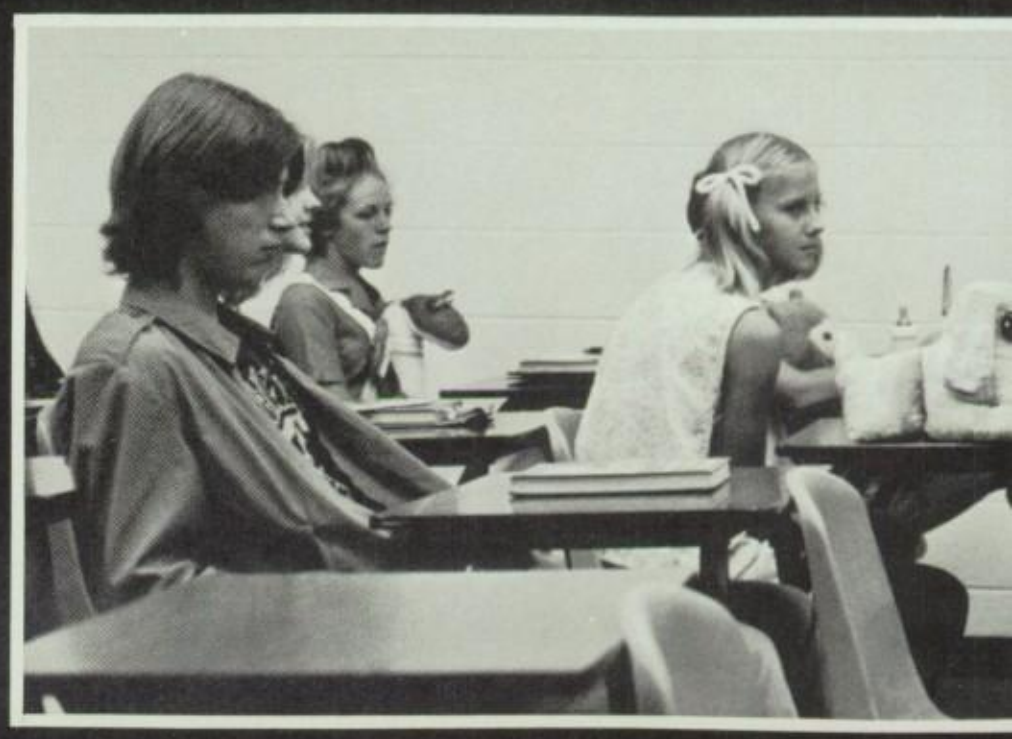
to do it
all again

tell me,
would we,
could we . . .

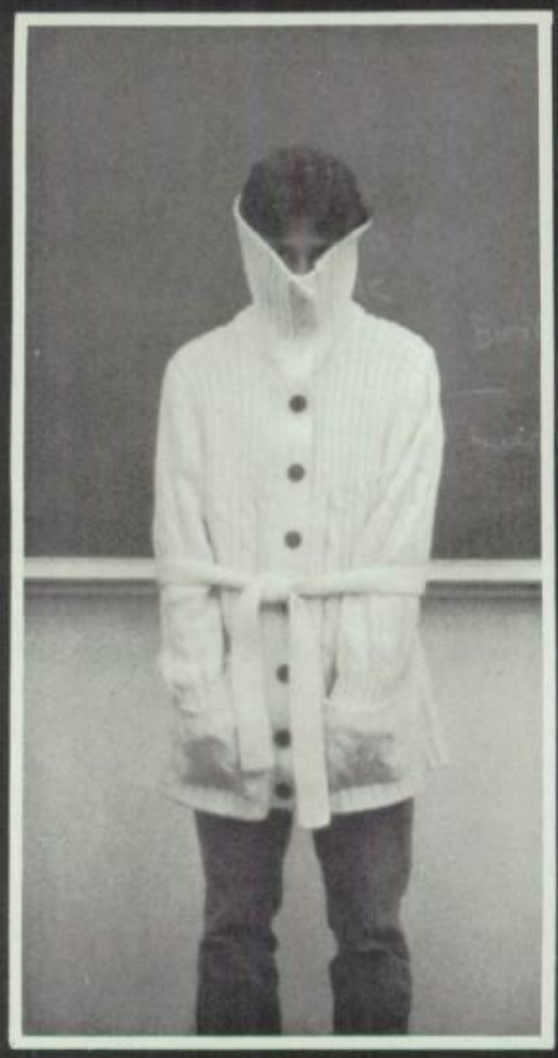
Memories



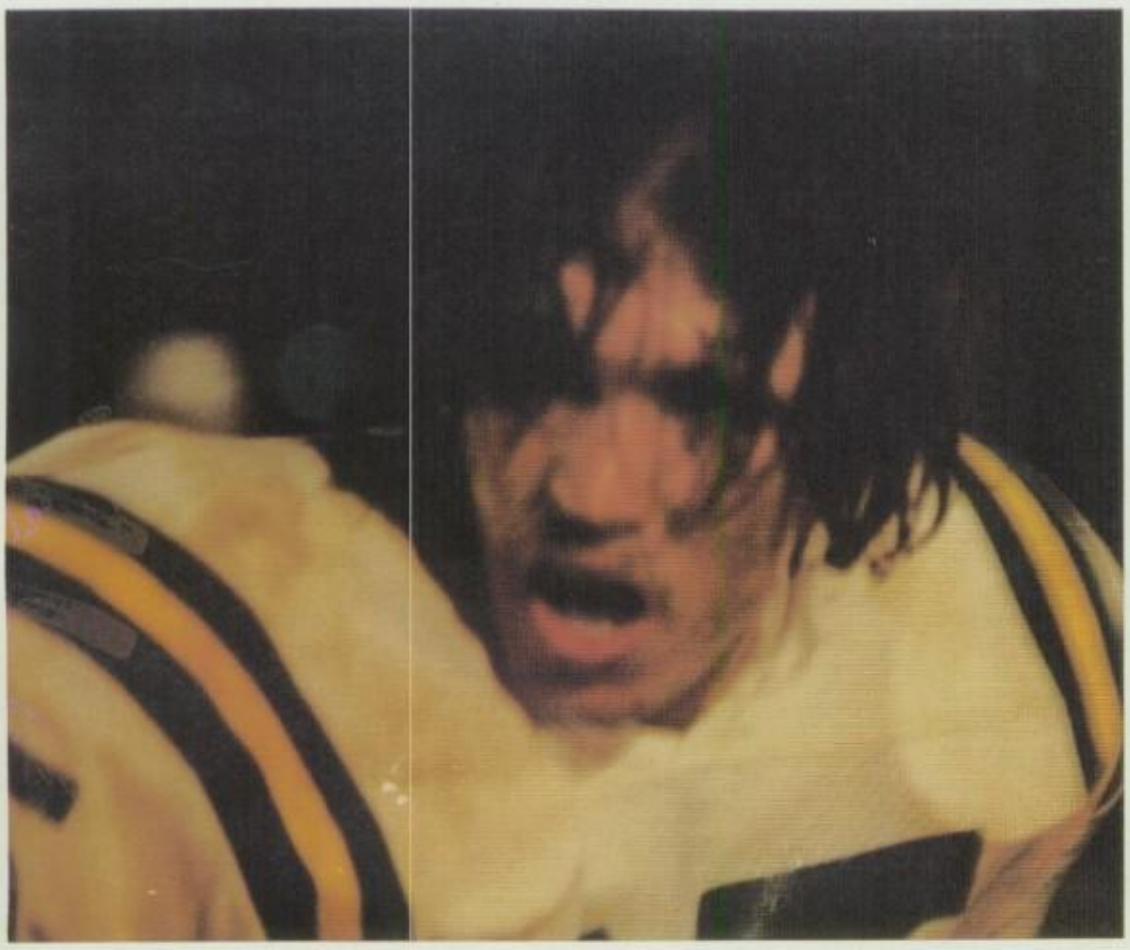




may be beautiful



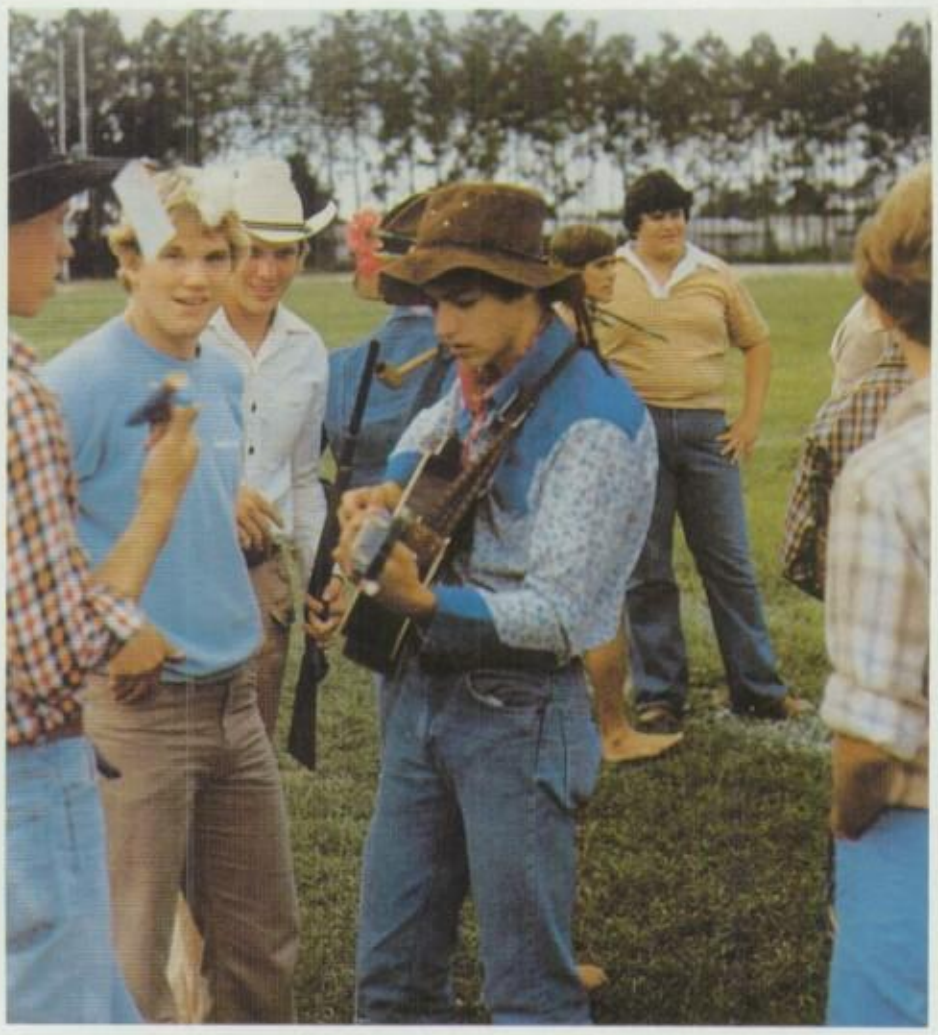
and yet . . .



What's too painful to remember

we simply choose to forget,

So it's the laughter, we will remember



Whenever we remember

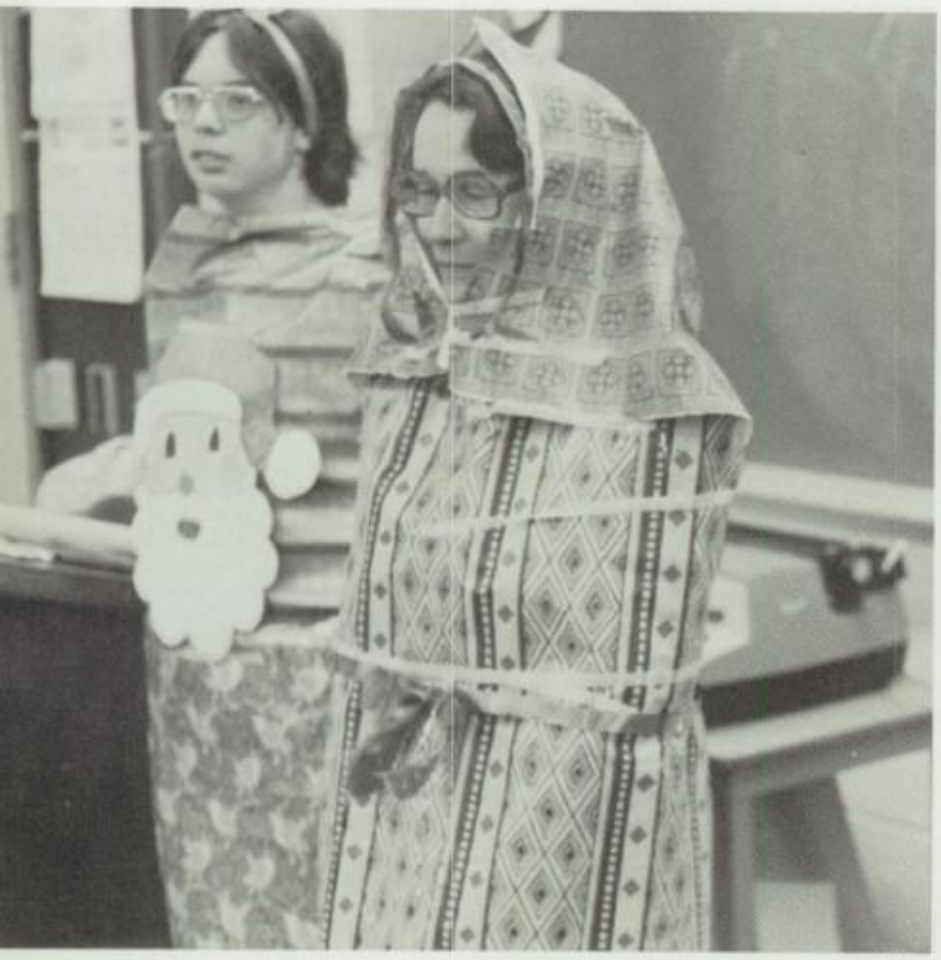
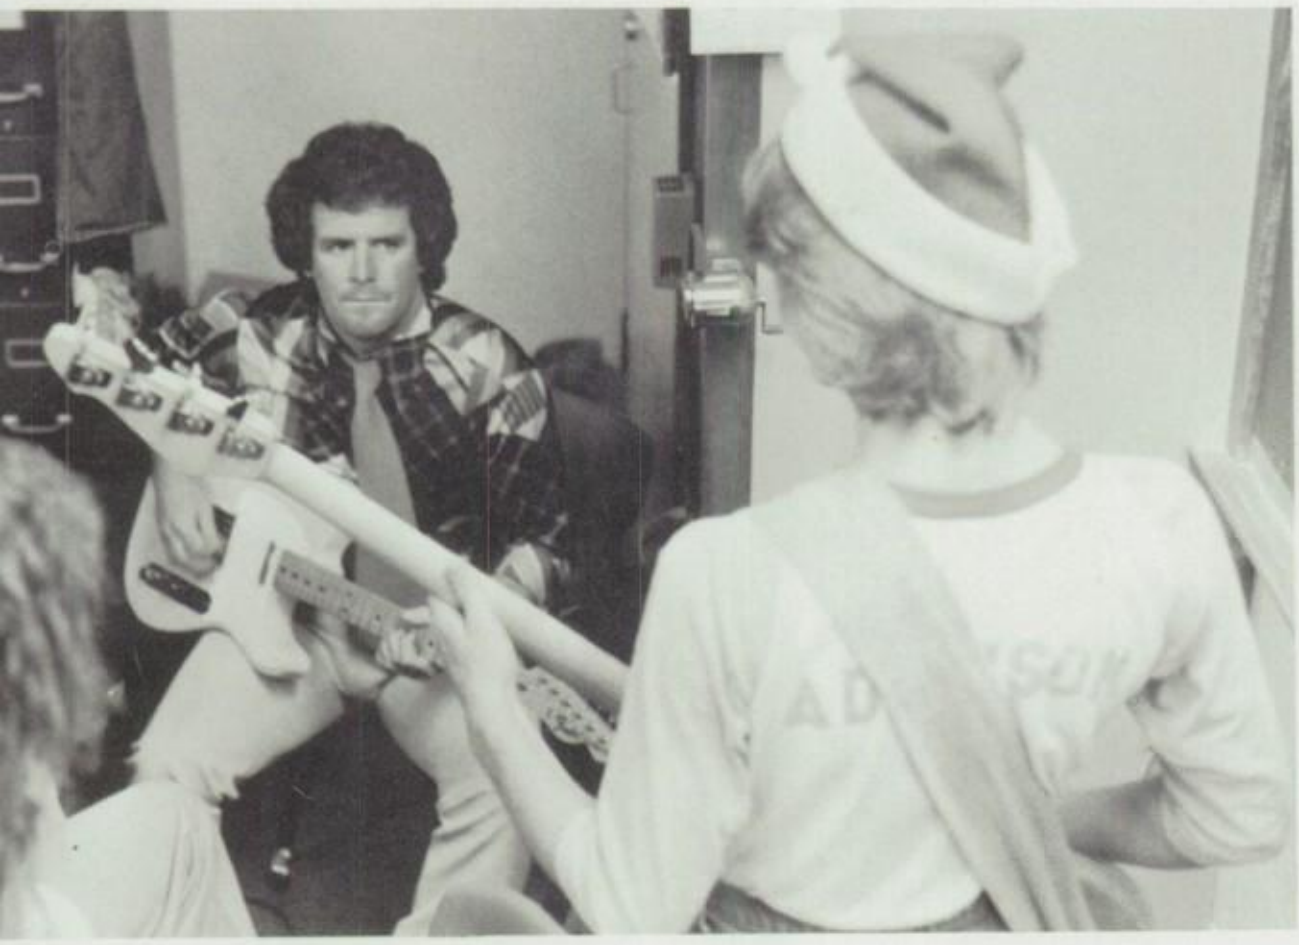
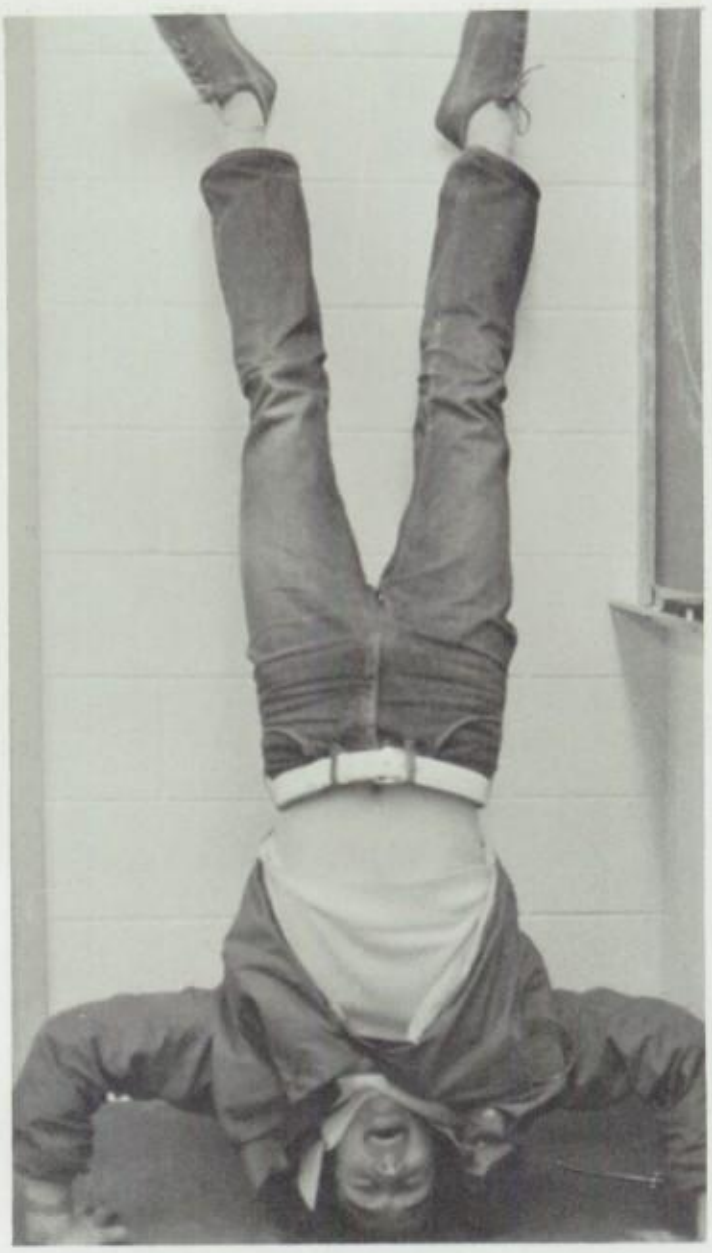
student Life

Students at Gulf High enjoy a variety of extra-curricular activities and school functions. Student Life reflects the many interests and hobbies of the students in the school. They may include an occasional romp on the Agriculture departments tractor, an old fashioned shootout on Western Day, a test of youthful muscle and enthusiasm in a tug of war, or gourmet cooking at it's best.



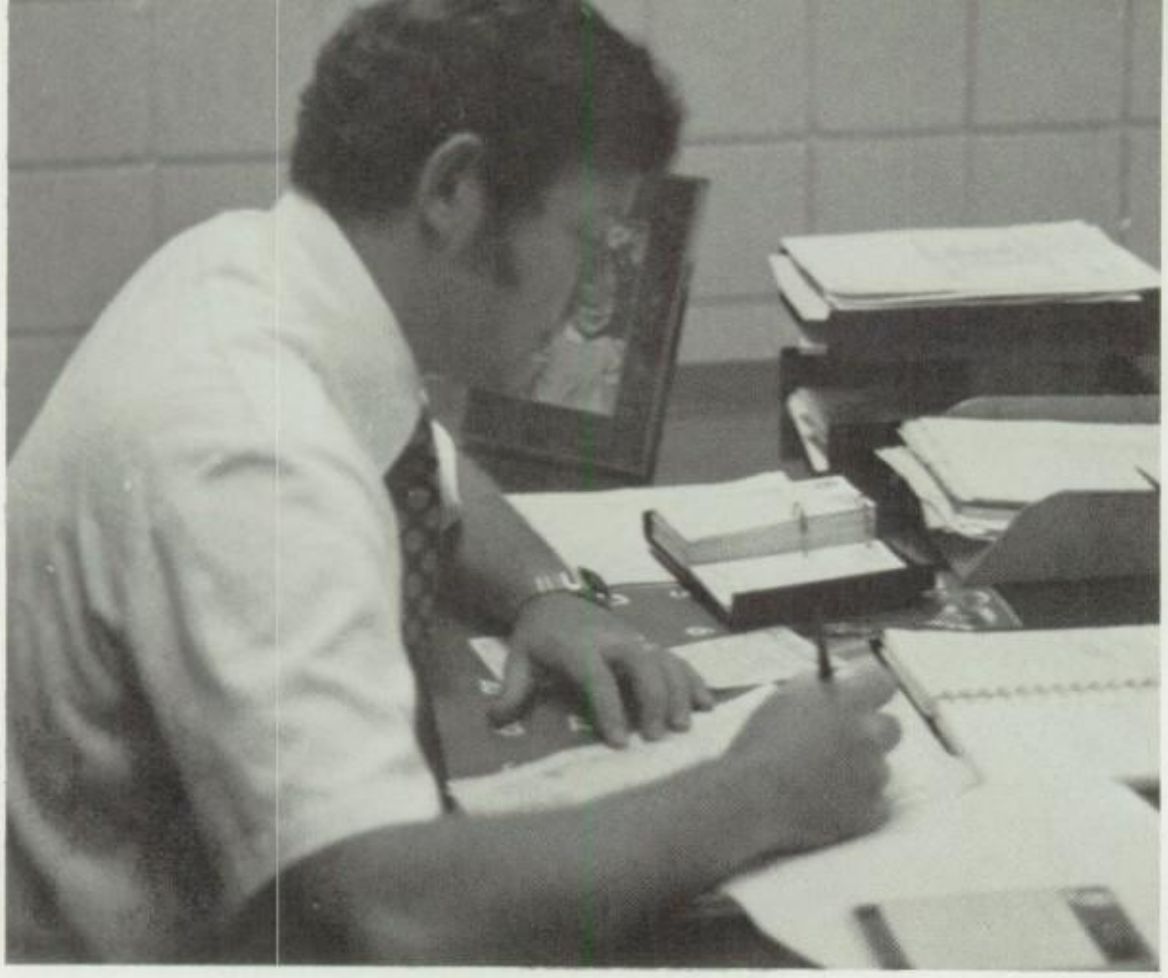
TOYS





A flower is not a flower without petals or without a stem. Likewise Gulf High is not complete without the school working together as a whole to make it independent.

Faculty, students, administration, are labels applied to many people at Gulf High, but we are all labeled as Buccaneers and as Buccaneers we depend on each other.

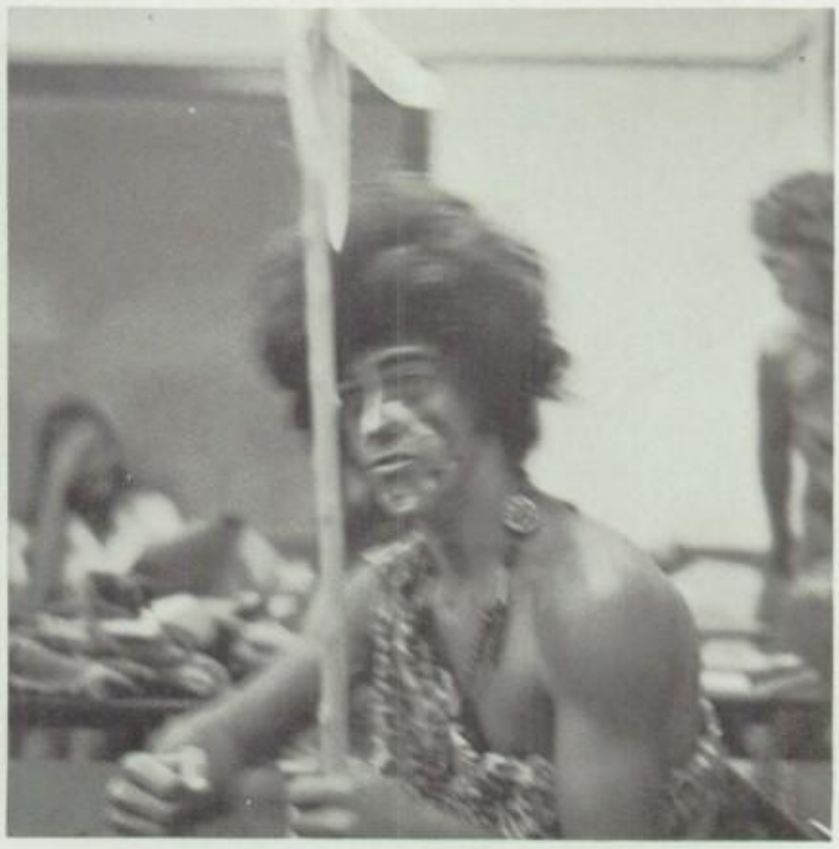


The Gulf students and faculty received a surprise at the end of the first quarter this year when Principal Ed Campbell announced that he had accepted a promotion to a position in the county office.

All waited in suspense until his successor, Mr. Larry Robison, was announced. Mr. Robison came to Gulf from Richey Elementary, where he was principal.

The students and staff were sad to see Mr. Campbell go, but all looked forward to working with Mr. Robison. The new principal vowed to continue to work with teachers and students to make Gulf one of the finest high schools in the state.

Mr. Robison received his M.A. and B.A. degrees from Western Kentucky University. He began teaching in an elementary school in Louisville, Kentucky, and also worked as a Junior High guidance counselor. Good Luck, Mr. Robison, we hope you enjoy it here at Gulf.



A rendezvous with a furry friend . . . An outing in the jungle of burger stands . . . The dream that someday, your musical friend might turn those weekend gigs into international "FAME". This is Student Life:

This year's homecoming court featured four students who were elected by popular student vote to represent the senior class. *Mary Knight* was crowned queen during the half time of the Zepherhills game. The other senior members of the court were *Lori Ernst, Sharon Gorski, and Maria Kountoupis.*

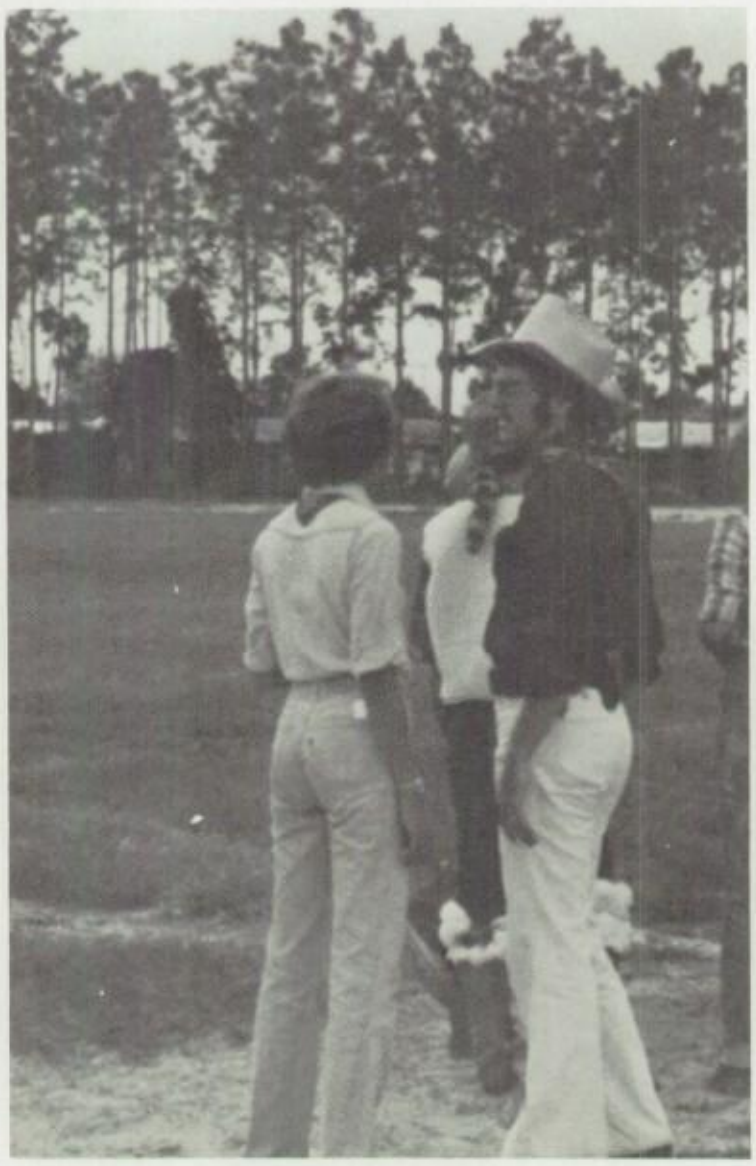
Mary is a varsity cheerleader, a member of the student council, and was vice-president of her sophomore class. She plans to attend college and begin a career.

Lorie is the captain of the Varsity Cheerleaders, is a member of the student council, the chorus, an F.H.A. member, and an F.B.L.A. officer. She plans to major in business.

Maria's freshman year involved her in chorus, the student council, and as captain of the J.V. Cheerleading squad. Her junior year she was on the varsity cheerleading squad, the yearbook staff and an F.B.L.A. member. Her senior year she held the senior class secretarial position, a position on the varsity cheerleading squad and her second year on the homecoming court.

The junior class representatives to the homecoming court were Carrie McCabe and Patti Quina. This is their second year on the court and again their beauty and elegance over-powered the rainy evening. The Representatives for the Sophomore class were Lisa Fogia and Ann Seawick. All in all the evening, with it's parade, many floats and final crowning proved to be Gulf's best Homecoming yet.

The dress-up days are said to be the best part of Homecoming Week, starting with Kiddie Day, followed by Jungle Day, Western Day, Fifties Day, and ending with Spirit Day. Where each class received most of the points for the spirit trophy, which again, was won by the Seniors.



Against all the stiff competition for the Spirit Trophy, the senior class came out on top. Among their winning activities were the paper drive and the Senior Class float which survived the egging of the week before.

The Buccaneer Band
"Boy isn't the band really good this year!"

"Yes it is. Those kids practiced all the time and it really shows up on the field. The pride they have in their band, in each other, and for their band director is really great."

This year the Buc Band has shown people all over the county that Gulf High has a super band. Later this spring, the band will travel to Washington D.C., the nation's capital, to represent Florida in the annual Cherry Blossom Festival. The band will compete with bands from all over the country, in marching competition, and in concert competition, not to mention a special parade for the President.

At contest this year, the band brought home excellent ratings as they have done for many years.

During Homecoming week, the band members woked very hard to put together a float. This float won the first Principal's award ever!

We expect great things from Mr. Francis and the Buccaneer Band.

This years varsity team saw the coming of a new, young, enthusiastic coach; *(Coach Jerry Young).* Coach Young is a graduate of Cameron University and has been coaching at Gulf for several years. This however was his first year as head coach. He had the task of turning an 0 and 10 team into a contender. For sure he did a good job at that, and he got the support of everyone in school for a change. We also know he will only improve because he isn't the kind of man who quits or goes down a loser, and with the hard work he is willing to do, It will be soon that he has a conference champion team.

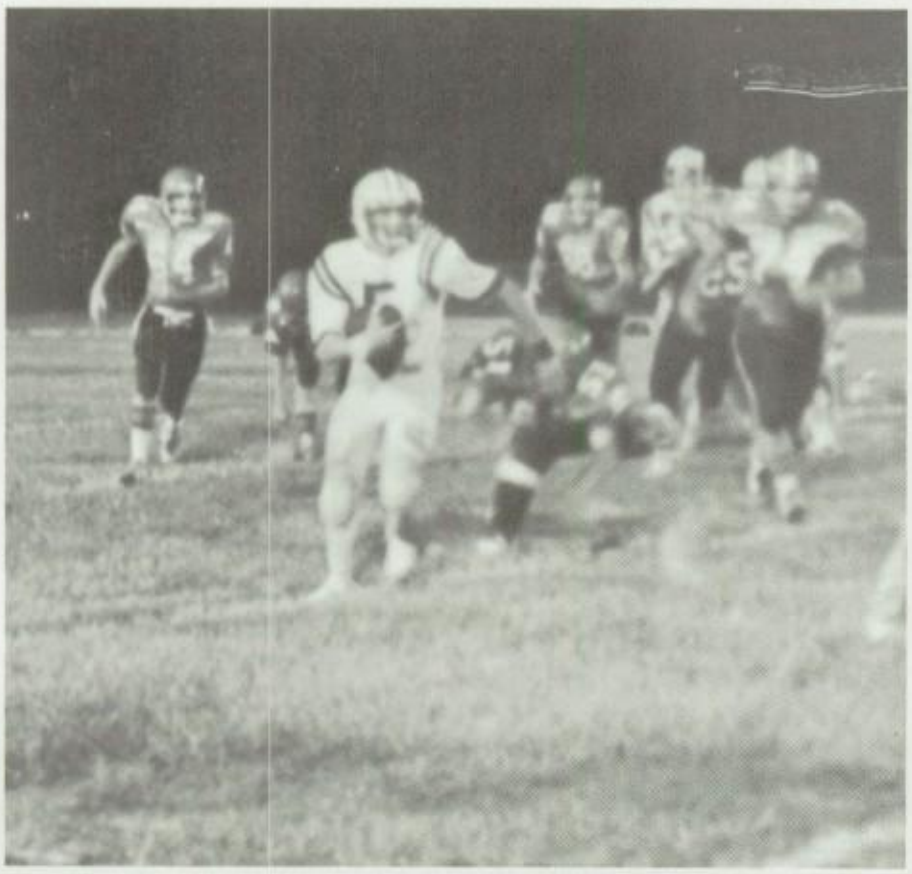
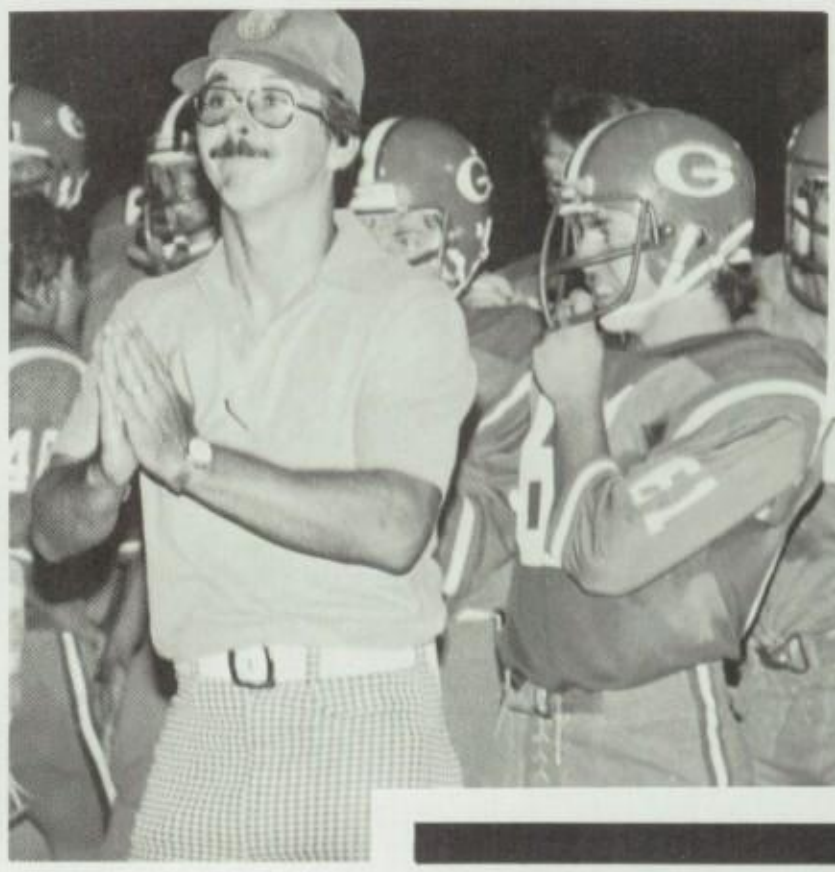
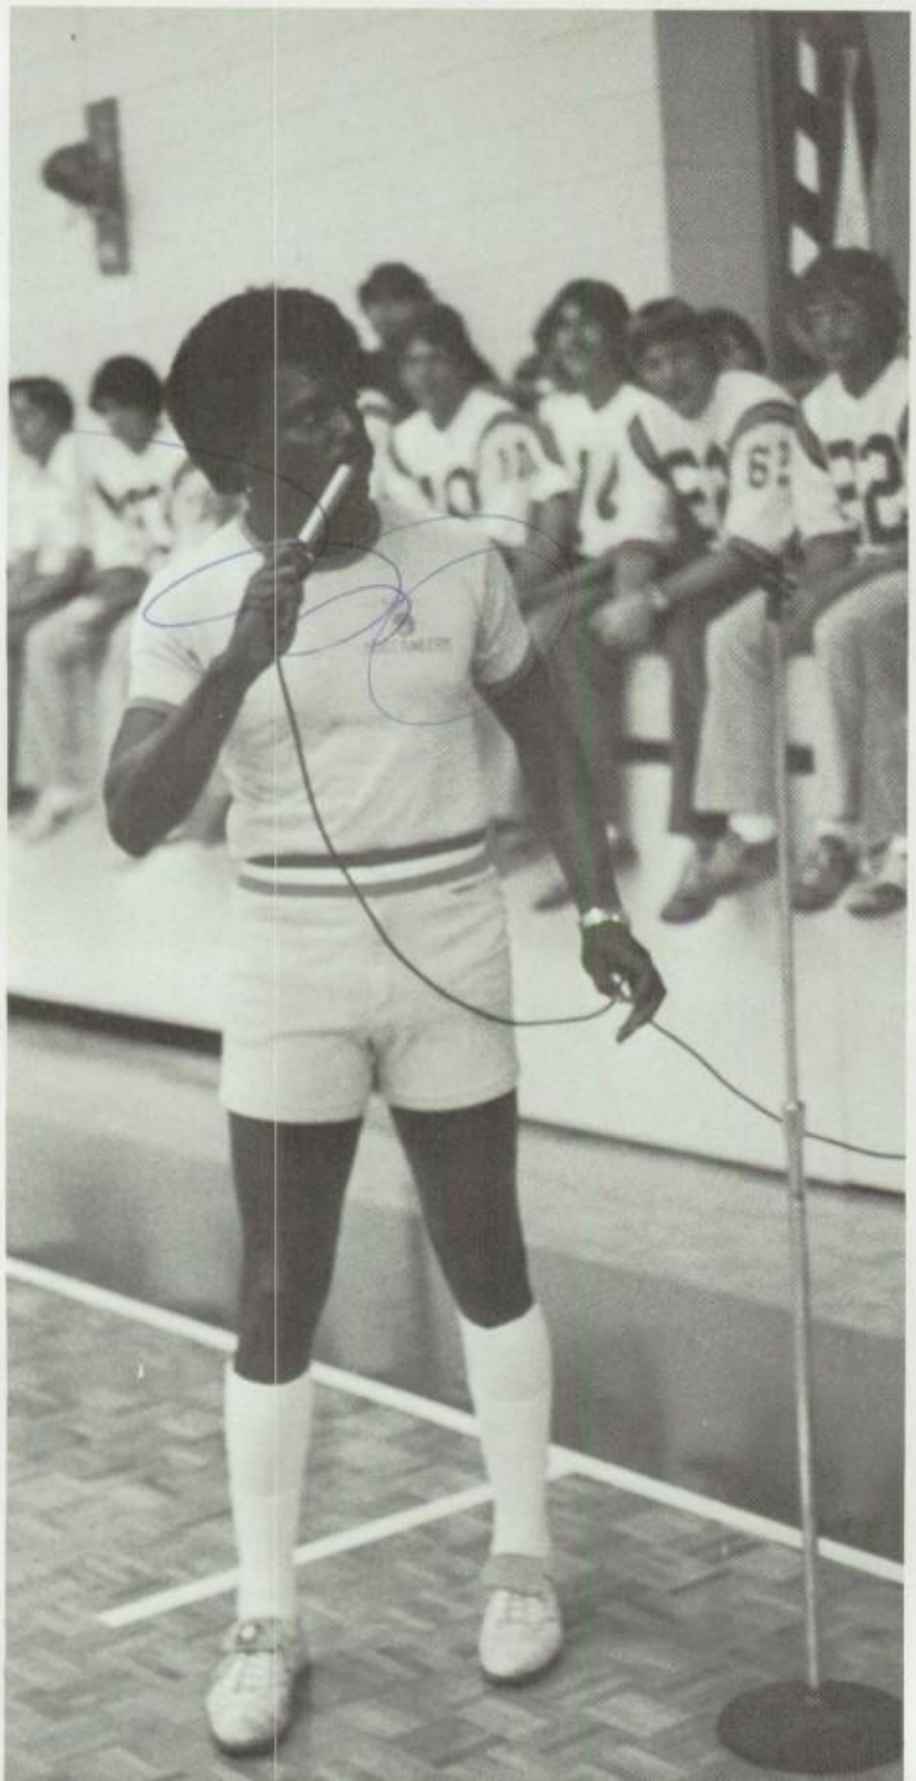
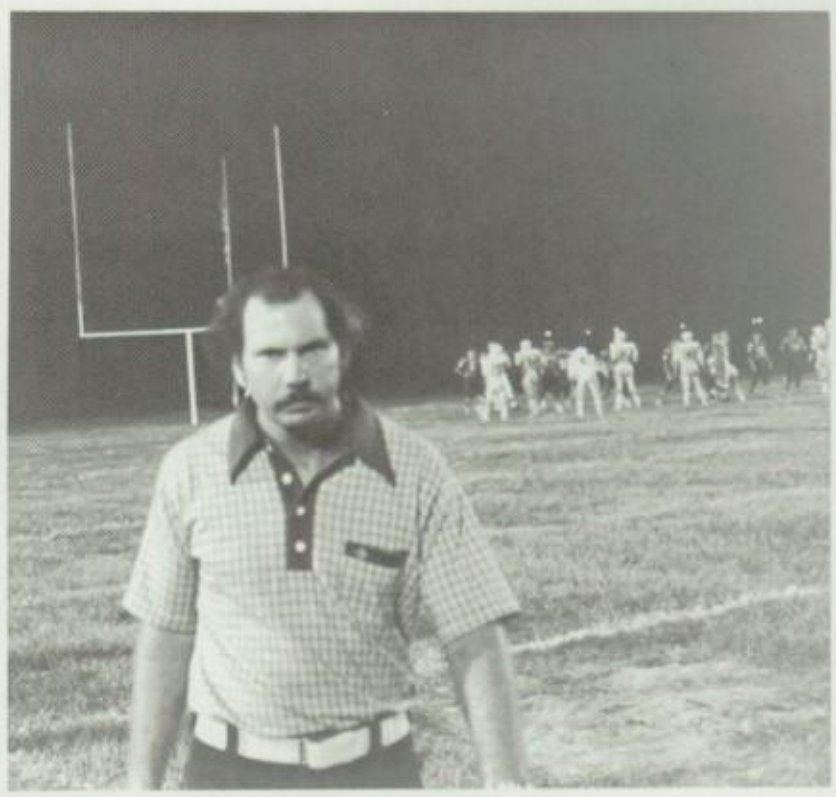
Top right; Mike Carman cuts down a Tarpon running back while David Sylvester and Bobby Kostopolous close in to finish him off. Bottom left; The Buc's tough defense lead on this play by Aaron Ryan and David Sylvester close the gap on a Tarpon ball carrier.









Many people judge a football team by how many games they win or lose, not thinking of all the drive and determination it takes just to play the game. The football team not only gave up their summer to play, but they even had to practice twice a day. After school had started they were required to take a special conditioning class to keep them in shape.

They came close to winning so often, like when they fell short 1 touchdown in a double-overtime game against Sarasota. Also, in the Tarpon game, when they drove the ball to the 1 yard line many times, and then to lose by only 5 points after our last touchdown had been called back.

They tried very hard despite injury and dissappointment game after game, something some people wouldn't do even if they were paid to.

Opposite page, top right; Jim May, David Sylvester, and Mike Carman of the Bucs' hard hitting defense take a well earned rest while watching Bob DeFranco *(top left)* go to work for the offense, and pick up some big yardage. *Bottom left;* Coach Davis speaks a few encouraging words to the players and students alike at one of the many pep rallies to get everybody fired up in a way that we know only he can do. *Middle right;* Coach Beets appears to be asking for a little help from a force above as he gives the defensive signals. *Bottom right;* Coach Young walks the sidelines while his defense holds Citrus' tough offense deep in their own territory. *This page, top;* The Buc's gather together for one of their much improved pep rallies to get fired up for the night's game. *Middle left;* Randy Spicer hands off to Mike Hess as he bulls his way up the middle behind blocks from Charlie Wagner and Bobby Kostopolous. *Bottom left;* Eddie Grubbs pulls in one of his three catches he had in the tough battle with rival Hudson. *Middle right;* The Bucs all pile together to rough each other up to get ready for a game. *Bottom right;* Charlie Wagner sees death as three Tarpon defenders merge on him to stop him a few yards short of the goal line.

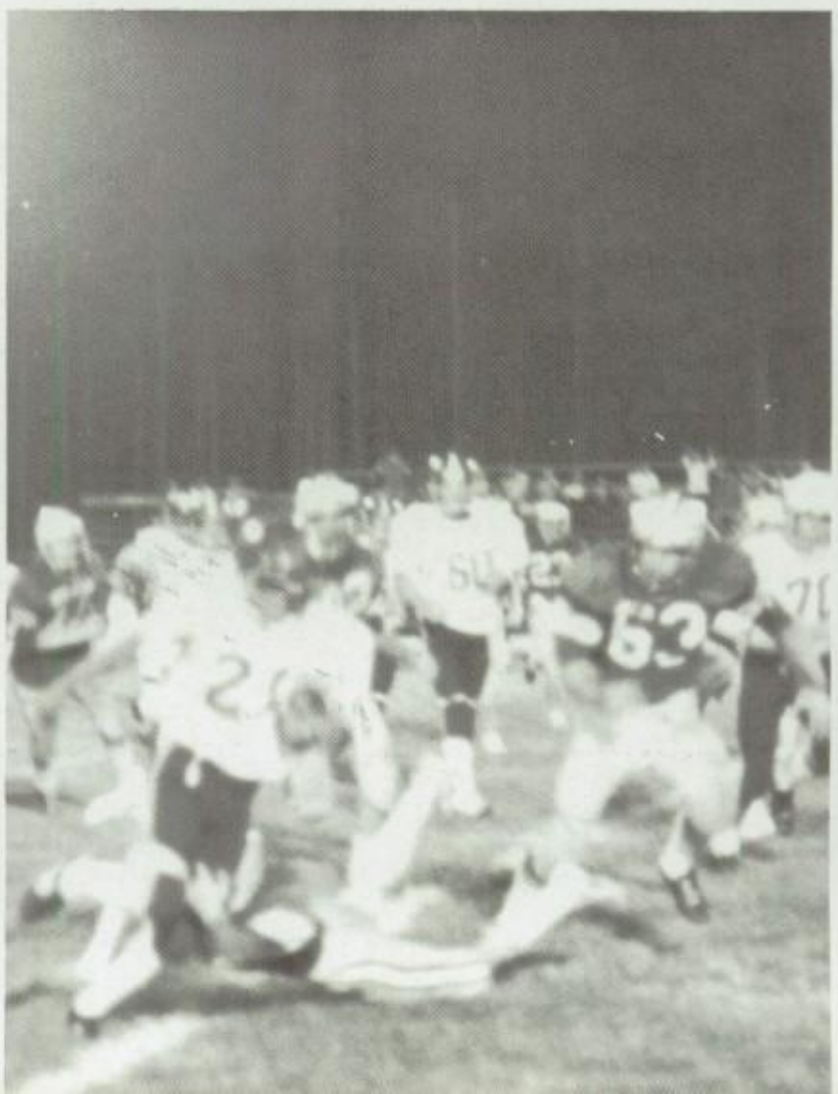
Coach Roy Wingo



The J.V. Buc's started off on a winning note by beating Inverness Citrus 7-6. Pasco and Brooksville Hernando were originally scheduled to play Gulf, but were forced to cancel. This caused South Sumter to be scheduled and beat by Gulf, again 7-6. The first loss came against the Cobras of Hudson High, a game in which the Buc's were outscored 14-3. Zephyhills fell to Gulf 3-0, a narrow escape by the Buc's. The J.V.'s were shutout only once. This scoreless game for the Bucs came against oponent Tarpon Springs, who won 8-0. Tarpon was not the only team to do the *"shutting out"* however. Gulf proved this by crushing the Land O Lakes Gators 10-0. The final record for the Bucs was 4-2, a winning season. Head Coach Larry Rhum had a successful team in his first year, and Roy Wingo provided experience to guide the Buc's along.

The lady Bucs' took the court full of spirit and enthusiasm. Sophomores up from the Junior High played varsity for their first time, and although the competition was greater, they soon adjusted. Under the leadership of Coach Joe Bever they played excellent and exciting basketball. Experienced seniors provided guidance needed to make the team work. High scorer Georgina Blankenship consistently gained points. Although the graduation of seniors will leave spaces in Gulfs basketball team, there are many girls ready to fill in the holes. The addition of the girls J.V. team will aid in finding new players who will continue to keep up the tradition of winning girls basketball at Gulf High.

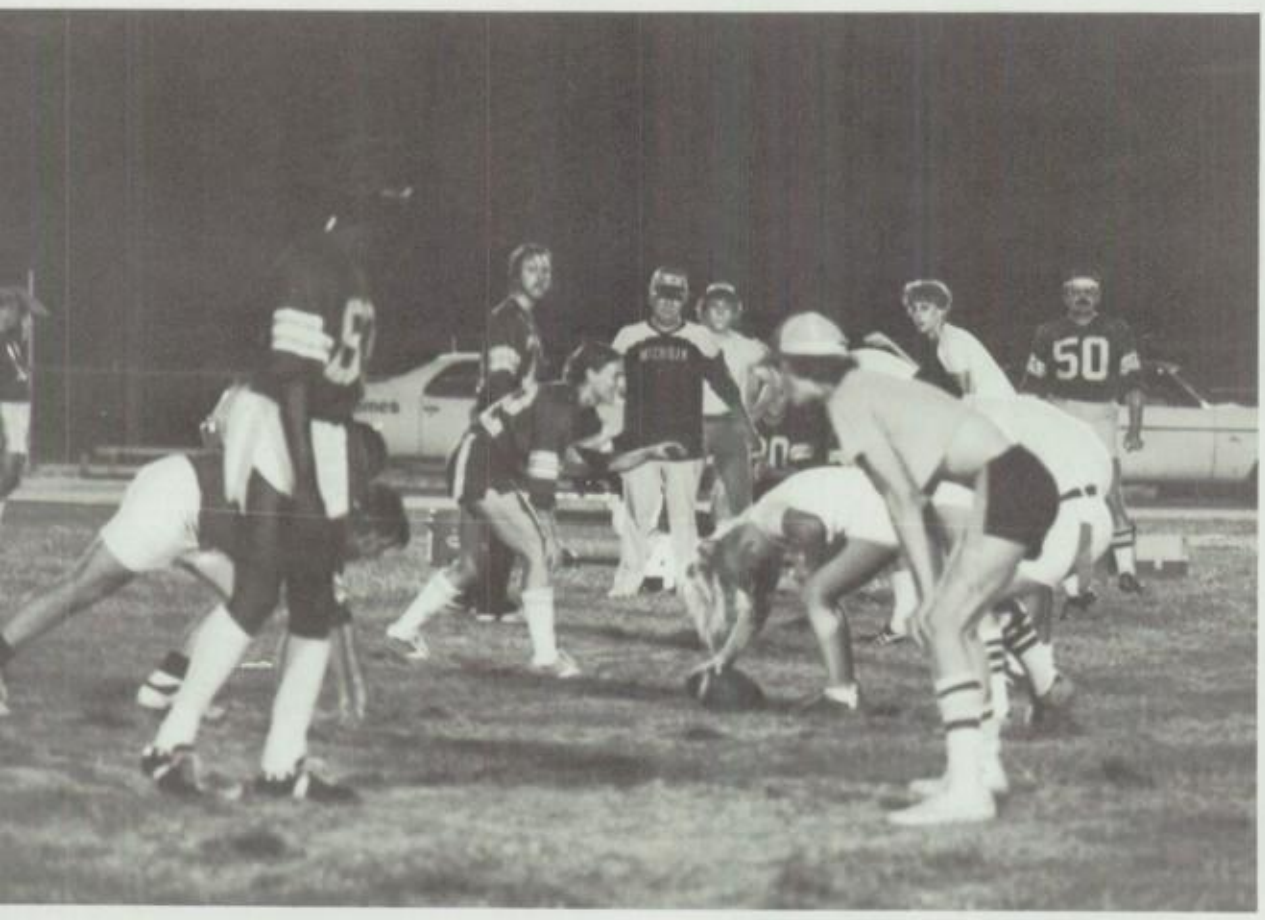
All through the year people help support the Bucs'by giving them a hand when ever possible. A couple of examples would be the help the baseball team received from manager Rich Pagram as seen in the picture to the far right. The football team received support from a couple of the Tampa Bay Bucs' during their season. The top picture shows Curtis Jordan and Mark Cotney coming from the locker room to watch one of the Bucs' home games along with Dr. Gil who also came to the games to help out with any injuries that came up during the season. New enthusiasm came to the school as each new season approached. Head baseball coach Larry Beets from Tennessee kept this enthusiasm up by putting to use his secret weapon seen in the picture to the right, the dreaded "Tennessee Thumper". And of course the enthusiasm carried right over to the golf team as seen in the picture above of Coach Young.

Our school saw many extra activities this year as seen in the picture in the center of the page of the student vs. faculty football game. The picture at top shows that the game was just a little lopsided. Below that we see Joe Bever giving directions during the game.

Top left we see a student try to drag down a faculty player from behind. Top middle; Will Garner receives the snap as he is about to punt to the faculty. Top right; Alvin "To Tall" Davis of the faculty runs down student quarterback Will Garner. Below; "Joe Willy" Beets rolls out around the end. Below left; both teams square off on the line of scrimmage before a play. To the left we see the faculty enjoying that sweet taste of victory after the game.



The teachers at Gulf High are an inspiration to all students. The yearbook staff would like to thank them for their hard work and dedication in their fields.

Coach Davis, was chosen by the Gulf students as "Teacher of the Year." The students voted for the faculty member who, in their opinion, was their best teacher. Mr. Davis teaches Physical Education and is the host of many extra curricular activities. Congratulations!

To the class of '79, This one's for you . . .

The time has now come,
look back on the past.
Those good times,
those bad times, the
smiles that will last.
A life time, forever,
these words you will
hear.
But it all went so fast,
12 in one year.
Think of tomorrow and the
friends left behind,
Then think of the next day
a life of a new kind.
You'll really be missed
by all of us here,
So don't go too far
try to stay near
As you walk up the stage
to take that last bow
Give us a smile, a good word
and a "Wow"
Well, time is running out
so to get right to the point
We the underclassmen would
just like to say . . .
Good luck and Goodbye
You're now Gulf Alumni.

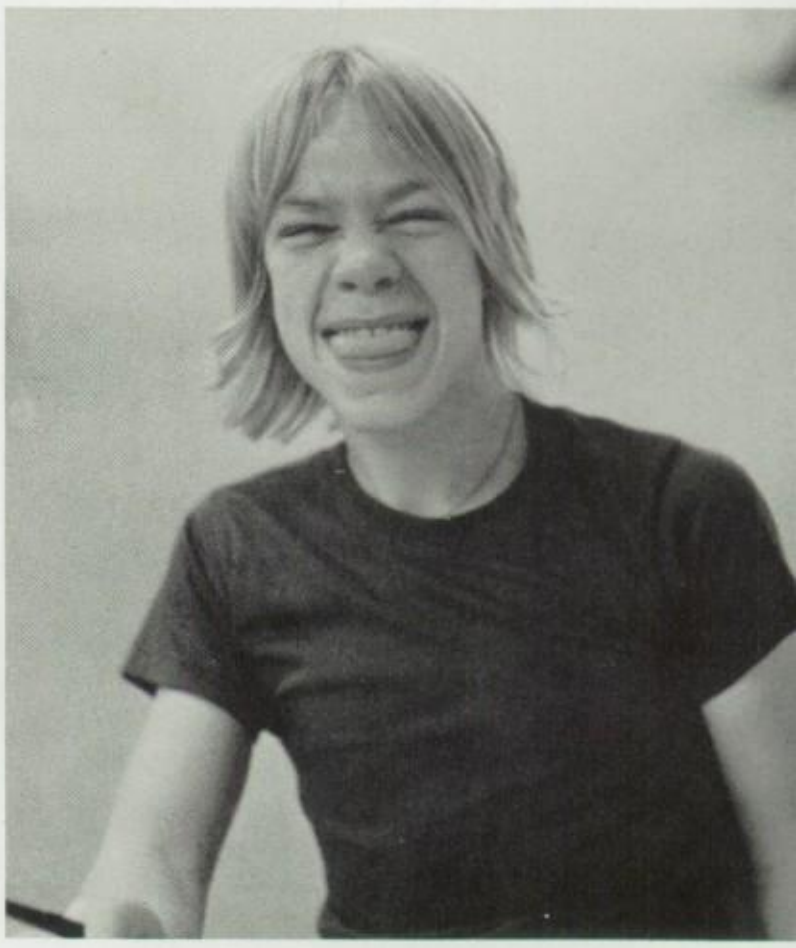
IT'S WILD



AND CRAZY

Now, as this year comes to a close, we can sit back and remember the good times, all the fun we had, and just how wild and crazy we really were. We've gone through many changes, and have had alot of adjustments to make. But we survived, taking with us memories that will last a lifetime. Like the many exciting pep rallies we had, to get our school athletic teams fired up for the games. We had a great change when Coach Lindsley came along with the spirit banner, and who could forget Coach Luikart with his decibal meter. All of us hoped that our class would win the spirit contest. In fact, we even got the loadies to yell this year. Our band, who put on great halftime shows, and the majorettes, twirling with lights and fire, all resulted in an excellent rating at contest, proving how talented Gulf's students really are.

We showed how crazy we were when the Sophomore class hosted their own version of the dating game. And we really showed more than our nerve when we appeared in the gong show and the Mr. Sexy Leggs Contest. Even the band "Nightwind", made up of Gulf High students, played before an appreciative audience. But no matter how interesting the assembly, we still had only four minutes to get to class afterwards, so that meant pushing and shoving in the hall, and fighting to get a good place in the lunch line.

But any frustrations we had built up were easily released with the egg throwing incidents among classes.

As the Christmas break approached our principal, Mr. Campbell, received a promotion, and Mr. Robison came as his replacement.

This was also the first year of those much dreaded semester exams. The rest of the year was filled with special projects by the different school organizations, like the Science Fair, the Foreign Language Buffet, and the band trip to Washington. There was also Grad-nite, the senior class trip to the Bahamas, and the Prom to add more excitement.

And now, as the senior class of 1979 goes on for a new and different kind of life, the sophomores and juniors remain to share in the old memories and to experience new ones of their own. Just as in the words to a song, You're still the one after all these years, helps in showing our true feelings we have for our school.

The staff of the 1979 BUCCANEER salutes this year's senior class and wishes them good luck and good times in the future.
